---

The FedRooms agent has contacted 23+ hotels and one has below the gov rate – Red Lion Seattle Airport. A \*\*\* vs. \*\*\*\* in the city. The rest are booked or won't offer the gov. rate.

I've spent hours searching FedRooms and GovTrip for a single room. There were 4 other choices near the airport, about 12 miles to the office, but none had offered a room block.

We could take the hotel airport shuttle/walk to the light rail then walk 3 blocks up Seneca to the office. We could also share cabs.

We could also change the dates to see if downtown hotels open up. The week of 8/4 or 8/11 should be OK – not interfering w/ school starts.

We can all suffer in a 3 star or hunt for rooms individually or move the dates. Any ideas?
